Quarterly Activities Report – September 2016

Nemex Resources Limited (ASX: NXR, Nemex or the Company) reports its activities and corporate developments for the September 2016 Quarter.

NXR continues to support Wavefront Biometric Technologies Pty Ltd (“Wavefront”) in its current technology development and will reassess its position once results are received from further independent validation at the International Centre for Biometric Research at Purdue University (Purdue ICBR), currently expected by December 2016.

MINERAL INTERESTS

No field activities were undertaken during the quarter and NXR is reviewing its interests in its remaining mineral project in conjunction with consideration of a potential change in activities.

CORPORATE

The Board continues to assess new investment opportunities, including potential investments in both resource and non-resources related sectors.

Notes

1. The quarterly report provides a basis for informing the market how the entity's activities have been financed for the past quarter and the effect on its cash position. An entity that wishes to disclose additional information is encouraged to do so, in a note or notes included in or attached to this report.
2. If this quarterly report has been prepared in accordance with Australian Accounting Standards, the definitions in, and provisions of, AASB 6: Exploration for and Evaluation of Mineral Resources and AASB 107: Statement of Cash Flows apply to this report. If this quarterly report has been prepared in accordance with other accounting standards agreed by ASX pursuant to Listing Rule 19.11A, the corresponding equivalent standards apply to this report.
3. Dividends received may be classified either as cash flows from operating activities or cash flows from investing activities, depending on the accounting policy of the entity.
